**BOOKS & BOOZE IN THE SAN FRANCISCO PUBLIC LIBRARY**

**FRIDAY, OCTOBER 14, 7-10 PM // THE MIX AT SFPL - MAIN LIBRARY // 100 LARKIN ST**

### SING, DANCE & MINGLE IN THE MAIN

Hosted by Friends of the San Francisco Public Library, IMBIBE is a fundraiser and a Member-exclusive, after-hours cocktail party where guests are invited to mix, mingle and party amongst the stacks while enjoying an open bar in the San Francisco Main Public Library. The October event is being held in one of the most innovative spaces in the City: The Mix at SFPL. Usually available only to youth ages 13-18, the Library's new teen digital learning center will be transformed into an after-hours cocktail party, complete with DJs and karaoke. Members will be able to scope out The Mix's state-of-the-art recording studio and video production space, take their picture in the green screen room, and enjoy signature cocktails.
